We have local members sitting on our State Association's board of directors as well as Governmental Affairs and Political Funding Committees. We also have a longtime member serving as NAHB's Lifetime Senior Officer and an additional builder member serving on the NAHB's board of directors representing our association on a national level.

Mailing Lists We provide our HBA members with the mailing information of our membership.

Member promotion The HBA loves promoting our members to the community through our two major events (see below) as well as in the media. We promote members and their accomplishments on our social media sites, post information on our website, and inform our members of special deals/offers from other members. Twice a year, during the Home Expo and Parade of Homes, we publish and distribute our membership directory inside the official programs for these events. The program/directory is distributed in all Daily Sentinel papers the week of the event to all their subscribers as well as pick up locations! Another amazing opportunity is we promote our members weekly in the Sunday edition of The Daily Sentinel in the Real Estate Weekly section. Our new members receive a half page to display photos and answer questions about their business and how they can help the consumer on their next project. We also give additional opportunities for event sponsors too!
